

Course and Digital Content Disclaimer

This disclaimer applies to all online courses, programmes, written materials, videos, and downloads provided by Life After Trauma Therapy Ltd.

Educational Purpose

Materials are psychoeducational and are not a substitute for therapy, medical care, or psychiatric treatment.

No Therapeutic Relationship

Participation in courses does not create an individual therapeutic relationship.

Individual Responsibility

You remain responsible for your own wellbeing and are encouraged to seek professional support where needed.

Crisis Support

These services do not provide crisis or emergency support.

Limitation of Liability

We are not responsible for loss arising from use or interpretation of course content.
